

English Plus

Our English Plus courses provide students with an opportunity to engage in exciting new activities and classes or to develop existing interests and skills. Each weekly course is six hours in total, replacing the Multi-Activity Programme on two days per week.

Art

Headington school's inspirational art department provides the perfect backdrop for our bespoke Art course which combines elements of Art, Craft and Design. Students will be introduced to the work of a contemporary artist and use this to explore and develop their artistic skills in media such as drawing, painting, printmaking, ceramics, and sculpture.

This course aims to develop our students':
